For Immediate Release**Square 9 Receives Platinum Rating in BLI Solutions Report*****GlobalSearch® 4.5 Sweeps Buyers Lab Evaluation as Top-Ranking Software Solution***

NEW HAVEN, CONN., June 26, 2018 - Developers of next-generation process automation solutions, Square 9® Softworks has been awarded the coveted BLI Platinum Rating for its Enterprise Content Management platform, GlobalSearch 4.5. Buyers Lab, the world's leading independent evaluator of document imaging products and solutions, has accredited GlobalSearch 4.5 with the highest possible rating across five report categories including, Features & Productivity, Usability, IT Admin & Security, Support & Training, and Value.

The 2018 Solutions Report states, "Square 9 Softworks' GlobalSearch is an impressive enterprise content management platform that strikes the perfect balance between data security and accessibility. With its complete feature set and strong value proposition, Buyers Lab feels almost any organization in the market for a full-featured document management system will be well-served by GlobalSearch."

BLI has specifically recognized Square 9's progressive [RapidAdapt® Forms Learning](#) technology and seamless MFP compatibility as key functionality advantages. GlobalSearch was highly praised for its easy-to-use workflow designer, GlobalAction, with the image-enabled search tool noted as one of GlobalSearch's best features. In addition, Square 9 received high remarks for its browser-based capabilities, robust security and rapid response customer support.

"We are honored that Buyers Lab has once again recognized our achievements in product innovation with the Platinum Award," said Lauren Ford, Marketing Communications Manager at Square 9 Softworks. "Our development strategy continues to be keenly focused on the demands of our user community, with the result of a more powerful and flexible solution."

Following the in-depth assessment, Buyers Lab has positioned GlobalSearch 4.5 among the industry's most cost-effective and user-friendly software solutions. Visit <http://info.square-9.com/bli-2018> to download the full report.

About Keypoint Intelligence - Buyers Lab:

[Keypoint Intelligence](#) is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales. For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. Buyers Lab evolves in tandem with the ever-changing landscape of document imaging solutions, constantly updating our methods, expanding our offerings, and tracking cutting-edge developments.

About Square 9 Softworks:

Square 9 is a leading developer of award-winning enterprise content management solutions, built to drive business efficiency through process automation. With both on premise and cloud-enabled document management solutions, Square 9 enables businesses of all sizes to take control of paper intensive processes by managing, sharing, and securing their business content. Square 9 distributes its solutions internationally through a network of highly skilled Channel Resellers from its corporate office in New Haven, Connecticut. www.square-9.com
